Agenda Notes

24th March 2026

3. Update on Barwell Toilet Live Stream.

The Live Stream is now up and running, with the link on the Council's web-site but has not been publicised. Having the live stream has so far been useful in seeing, and then removing, large numbers of school children from the cubicles.

There is the added benefit of assisting with security of lone workers (cleaners) in that the area can be observed and checked before and during the time workers are onsite.

5. Update on Memorial Hall roof tiles

Verbal update will be provided at the meeting.
