Lines are open Mondays, Tuesdays and Thursdays only from 9am to 1pm
(excluding statutory and bank holidays)

You must speak to the Coordinator in person to book. Voicemails / Text messages will not be responded to.

Please note that it may not be possible to respond to same-day requests. This scheme relies on volunteer drivers.

WHO IS ELIGIBLE TO USE THE SCHEME?

The Scheme is available to residents living within the Parish of Dereham (including Toftwood), who are unable to make an **essential journey** by private, public or private hire transport, or who would otherwise be unable, without unreasonable difficulty, to make an **essential journey** because of the lack of public transport. Passengers should be physically able to walk from their home to the driver's car.

WHAT IS AN 'ESSENTIAL JOURNEY'?

A journey is deemed essential where the passenger needs to attend :-

- Hospital
- Doctor's Surgery
- Dentist
- Optician
- Chiropodist
- Pharmacist (following GP appointment)
- Health Centre

or any similar type of destination which the relevant Committee of Dereham Town Council shall from time-to-time specify suitable to use the scheme.

HOW TO USE THE SCHEME

- Contact the Co-ordinator on 07827 972163 on the days and times listed on the front page to make your booking. **You must** speak to the Co-ordinator in person; voicemail and text messages cannot be responded to

- Under most circumstances, 72 hours notice prior to your appointment is enough time to arrange for a car to pick you up. However, it is always helpful if you advise the co-ordinator as soon as your travel requirements are known. Please notify the Co-ordinator of any special requirements, such as the use of a walker and whether someone will be escorting you.

- Journeys can be booked for appointments up to 6 weeks in advance.

- Please make the co-ordinator aware if an appointment is likely to be longer than two hours. In this scenario, drivers will drop passengers at their destination and leave their contact number for the passenger to call them when ready to return. A second journey fee will be payable.

- All persons under the age of 18 must be accompanied by an adult.

- If a passenger needs the support of an escort, the escort will travel free of charge.

FARES

Fares are payable at the start of the journey, where a set fee applies (see table below). If your destination is not listed, a fee of 20p per mile (minimum £2) will be charged at the end of your trip.
