3. Quebec Road, Dereham Proposed Zebra Crossing

Further to implementation of speed management proposals comprising 40mph buffer limit and part-time advisory 20mph at school times in March 2020, Norfolk County Council are now planning to construct a new zebra crossing on Quebec Road in Dereham to improve the safety of pedestrians including school children wishing to cross Quebec Road.

Councillors raised their concerns about the zebra crossing possibly being close to a bend and the poor visibility splay, they continued by saying that there must be good signage giving ample warning of the crossing and time for vehicles to slow down.
